

Summit Public School: Shasta

School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2018-19)

School Description and Mission Statement (School Year 2018-19)

Summit Public School: Shasta is a public charter school authorized by the Jefferson Union High School District. Summit Shasta is located in Daly City. Summit Shasta welcomed its first class of 9th graders in August of 2013, and will continue to add one grade level per year until fully grown to grades 9-12.

Our Mission:

To prepare a diverse student population for success in a 4-year university and to be thoughtful, contributing members of society.

Our Core Characteristics:

All students and teachers are expected to embody the six core characteristics: respect, responsibility, compassion, curiosity, courage, and integrity.

Academic Program

Every student completes a college-prep course of study that is aligned to the Common Core Standards, and prepares all students for AP classes beginning their junior year. 100% of Summit graduates meet or exceed UC/CSU entrance requirements; 100% of Summit seniors take the SAT or ACT exam and at least two AP exams.

We focus on the four elements that are the foundation of college and career success in the 21st century:

Cognitive Skills – The deeper learning, critical thinking, communication and problem-solving skills needed to succeed in today and tomorrow’s workforce

Content Knowledge – Engaging in learning that is personalized for each student, filling learning gaps and moving students towards competency in all subject-areas.

Habits of Success – Empowering students to self-direct their learning and develop the habits that are invaluable for college and life success

Expedition – immersing in real-world experiences to discover and explore passions and careers, applying learning in authentic ways. Personalized Learning and Mentoring Program

Every Summit student has a Personalized Learning Plan (PLP), where students set learning and personal growth goals, track progress, receive immediate feedback and are able to access learning resources at any time. The PLP is designed to be a dynamic tool where families and teachers alike can offer support and coaching.

Summit students have mentors who individually support them through their goals. Mentors serve as college counselors, coaches, family liaisons and advocates, ensuring their mentees are excelling inside and outside of the classroom every day.

Our Faculty:

Our teachers are highly motivated, academically accomplished, innovative and creative. At Summit, teachers participate in 40 days of professional development each year, during which they work together to ensure students are always receiving the highest quality education.

Extra-Curricular Activities

Participation in extra-curricular activities is essential to developing a well-rounded, college and career-ready student. Summit focuses on developing happy, healthy students who have a well-balanced lifestyle that mixes academic classes with personal passions and enjoyable extra-curriculars.

Teaching and Assessment:

Summit uses research-based instructional methods and leverages technology in all subjects. Students are immersed in project-based learning and learn content and skills by developing solutions to engaging, real-world problems. Instruction is rigorous for all students, regardless of previous preparation, and curriculum is differentiated to provide a personal pathway to success.

Assessment

Summit students demonstrate competency of content knowledge and cognitive skills compared to state, national, and collegiate standards. Culminating projects are used to assess the college-ready content knowledge and critical thinking skills. Letter grades are assigned for coursework and are consistent with state and college measures. Students take all state standardized exams, Advanced Placement Tests, and the ACT and SAT.

Student Enrollment by Grade Level (School Year 2017-18)

Grade Level	Number of Students
Grade 9	132
Grade 10	111
Grade 11	103
Grade 12	106
Total Enrollment	452

Student Enrollment by Group (School Year 2017-18)

Student Group	Percent of Total Enrollment
Black or African American	2.4
American Indian or Alaska Native	0.0
Asian	19.7
Filipino	8.8
Hispanic or Latino	25.2
Native Hawaiian or Pacific Islander	1.8
White	22.3
Socioeconomically Disadvantaged	25.0
English Learners	4.6
Students with Disabilities	7.3
Foster Youth	0.2

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	13	16	19	19
Without Full Credential	3	5	2	2
Teaching Outside Subject Area of Competence (with full credential)	0	2	1	1

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	6
Total Teacher Misassignments *	5	7	7
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

School Facility Conditions and Planned Improvements (Most Recent Year)

New for the 18-9 school year, Summit Shasta is located at 905 Campus Drive in Daly City. The facility was built on land owned by the Jefferson Union School District, for which Summit has a 99-year ground lease. The current site consists of four buildings, including classrooms, admin offices, a server, bathrooms, and a gymnasium.

Each classroom at the current site has an available LCD projector and the entire site was equipped for wireless internet. There is a separate student and teacher network. All teachers have school laptops, and all students have their own Chromebooks.

Summit Public Schools is responsible for major maintenance and code compliance of the facilities. Summit Shasta's building is in compliance with all fire, safety, and seismic codes (including fire sprinklers).

The facilities are well maintained and in good condition and were adequate for the delivery of the SPS instructional program. Summit Public Schools: Shasta contracts directly for custodial services and the facilities are cleaned on a daily basis.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)		
Year and month of the most recent FIT report: September 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: September 2018	
Overall Rating	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	87.0	83.0	68.0	63.0	48.0	50.0
Mathematics (grades 3-8 and 11)	51.0	59.0	40.0	39.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	102	101	99.02	83.17
Male	51	51	100.00	74.51
Female	51	50	98.04	92.00
Black or African American	--	--	--	--
Asian	17	16	94.12	93.75
Filipino	--	--	--	--
Hispanic or Latino	18	18	100.00	66.67
Native Hawaiian or Pacific Islander	--	--	--	--
White	21	21	100.00	85.71
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	37	37	100.00	72.97
English Learners	--	--	--	--
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	102	101	99.02	59.41
Male	51	51	100	50.98
Female	51	50	98.04	68
Black or African American	--	--	--	--
Asian	17	16	94.12	87.5
Filipino	--	--	--	--
Hispanic or Latino	18	18	100	50
Native Hawaiian or Pacific Islander	--	--	--	--
White	21	21	100	57.14
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	37	37	100	48.65
English Learners	--	--	--	--
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Career Technical Education Programs (School Year 2017-18)

Summit Public Schools: Shasta does not currently offer CTE programs.

Career Technical Education Participation (School Year 2017-18)

Measure	CTE Program Participation
Number of pupils participating in CTE	
% of pupils completing a CTE program and earning a high school diploma	
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	99.6
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	99.0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Summit Public Schools: Shasta recognizes that students learn best when parents are involved in their learning and their learning community. Almost all current research indicates that parental involvement is the single most important ingredient to student success after socioeconomic status. Accordingly, Summit Shasta actively reaches out to parents and encourages them to be involved in the school in many ways. The Shasta Parent Organization is responsible for coordinating Shasta volunteer needs and activities, and recording volunteer participation. The SPO management team strives to match school needs with the interests and schedules of each family and values input from the entire Shasta community. SPO is divided into 2 functional committees. The committees are as follows: Special Activities Group and Senior Committee. Some examples of volunteer opportunities include:

- Driving, chaperoning, or helping to plan the school camping trip
- Driving, chaperoning, or helping to plan grade level study trips
- Organizing social events for the wider parent community
- Doing data entry, mailings, translations and other community outreach
- Assisting with open houses and other recruitment outreach
- Helping with the college process
- Assisting with schools and clubs and sports
- Working to help keep our facility clean and safe

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Dropout Rate		--	1.0	4.4	3.2	3.1	10.7	9.7	9.1
Graduation Rate		--	97.0	92.5	94.2	89.5	82.3	83.8	82.7

For the formula to calculate the 2016–17 adjusted cohort graduation rate, see the 2017–18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

Completion of High School Graduation Requirements - Graduating Class of 2017 (One-Year Rate)

Group	Graduating Class of 2017		
	School	District	State
All Students	100.0	91.3	88.7
Black or African American	100.0	78.3	82.2
American Indian or Alaska Native	0.0	0.0	82.8
Asian	100.0	96.0	94.9
Filipino	100.0	92.7	93.5
Hispanic or Latino	100.0	86.4	86.5
Native Hawaiian/Pacific Islander	100.0	100.0	88.6
White	100.0	93.1	92.1
Two or More Races	100.0	94.0	91.2
Socioeconomically Disadvantaged	100.0	93.5	88.6
English Learners	100.0	53.9	56.7
Students with Disabilities	100.0	58.6	67.1
Foster Youth	0.0	60.0	74.1

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	1.8	0.9	2.6	6.4	6.6	6.0	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.4	0.2	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

It is the policy of Summit Public Schools to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students.

School Safety plans are located in the front office, and include procedures for fire drills, earthquake drills, shelter-in-place drills, chemical release incidents, and intruder incidents. There are also appropriate evacuation drills. The safety plan is reviewed and updated each August, and faculty receive training in August, and ongoing as needed.

The School also complies with the Education Code requirement that each new employee be fingerprinted for the purpose of obtaining a criminal background check as a condition of employment. Summit Shasta follows standard health and safety practices as required by State and local law .

All visitors to the school are required to sign in and indicate the purpose of their visit. No unauthorized visitors are allowed on the campus. The School practices close communication with parents, such as calling home when a student is sick or in the case of a medical emergency to ensure the health and safety of the student body.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Secondary)

Subject	2015-16			Avg. Class Size	2016-17			Avg. Class Size	2017-18					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms				
		1-22	23-32			33+	1-22			23-32	33+	1-22	23-32	33+
English	27.0	1	11		27.0	5	8	3	25.0	2	14	2		
Mathematics	27.0	2	9	1	27.0	3	11	2	27.0	1	16			
Science	27.0	2	9	1	26.0	4	10	2	26.0	1	12	4		
Social Science	27.0	1	11		27.0	4	9	3	24.0	4	12	3		

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2017-18)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0.0	
Counselor (Social/Behavioral or Career Development)	0.1	N/A
Library Media Teacher (Librarian)	0.0	N/A
Library Media Services Staff (Paraprofessional)	0.0	N/A
Psychologist	0.1	N/A
Social Worker	0.0	N/A
Nurse	0.0	N/A
Speech/Language/Hearing Specialist	0.2	N/A
Resource Specialist (non-teaching)	2.0	N/A
Other	0.0	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$10,745	\$714	\$10,030	\$56,752
District	N/A	N/A	\$10,030	\$56,752
Percent Difference: School Site and District	N/A	N/A		
State	N/A	N/A	\$7,125	\$85,815
Percent Difference: School Site and State	N/A	N/A		

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

At Summit Shasta, we have many different types of programs and services available at the school that support and assist students. Those are:

Office Hours - before or after school, there are about 5 hours where students can come get support from their teachers and peers outside of the regular school day. During these office hours, teachers are available to support students in their learning of content, practice on skills they haven't mastered yet, or to get work done in a quiet and safe place.

Summit Reads - during the school day, we also offer times where students can get support in their reading or take enrichment classes to development literacy skills. There is a dedicated time everyday when students are required to read, and we use data to decide what level of support students need in their reading. Students who are reading at grade level are offered literacy enrichment courses like creative writing and SAT/ACT prep. Students reading below grade level use a reading remediation program to support them in actually learning the skills necessary to get back to grade level.

Summit Solves - similarly to Summit Reads, during the school day, we offer times where students can get support in their numeracy. This is a dedicated time everyday when students are required to work on math, and we use data to decide what level of support students need in their numeracy. Students who are at grade level with their numeracy are offered opportunities for numeracy enrichment like Engineering and AP Calculus Prep. Students who are below grade level have small, teacher-driven numeracy remediation to learn remedial mathematics skills.

Peer tutoring - during the day, as well as after school, we also have times where students support other students academically. Peer tutoring is used widely by students to get help on content or skills for their courses.

Lexia - is a program we use to support students in their reading. It is a program designed to teach students how to improve in their reading, with exercises and tests that have proven growth in comprehension, scanning, and reading speed.

Mentor Check ins - every student, every week, has an extended check in with their mentor. During this check in, mentors use this as an opportunity to support students in goal-setting, making plans, advocating for them, and how to improve their learning habits. This is a structured time where mentors can get at the root causes of why students need support.

Seneca Services- 1 day a week, a mental health professional is on-campus to hold drop-in hours for students that need additional support. Any students is able to sign-up for an appointment with the counselor.

Data - we also have a dedicated time for teachers to look at achievement data and meet in teams to dissect and make plans for students who need support. Every week, there is a time for data to be looked at to help students make plans, identify students who need more targeted support, and to see which students need to be more challenged.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,073	\$50,747
Mid-Range Teacher Salary	\$65,281	\$86,127
Highest Teacher Salary	\$82,968	\$106,915
Average Principal Salary (Elementary)	\$0	
Average Principal Salary (Middle)	\$0	\$136,636
Average Principal Salary (High)	\$119,804	\$150,286
Superintendent Salary	\$200,000	\$238,058
Percent of Budget for Teacher Salaries	28.0	34.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2017-18)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	N/A
English	9	N/A
Fine and Performing Arts	0	N/A
Foreign Language	2	N/A
Mathematics	4	N/A
Science	4	N/A
Social Science	10	N/A
All courses	29	46.5

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

Summit Shasta believes that it is possible to attract and retain talented teachers by sharing a dynamic vision committed to excellence and creating a professional learning environment where staff can learn and grow along with our students. To this end, Summit Shasta invests heavily in professional development for our staff. Every Summit Shasta teacher is an empowered, self-directed and continuous learner who is working to improve student outcomes every day. We know that providing students with high-quality, high-impact teachers is one of the most important factors in their success.

Teachers professionally develop skills and knowledge focused on enabling high-impact activities with every student, every day. We do this through an innovative professional development program in which:

Every teacher participates in 40 days of professional development each year which take place every four to six weeks for two weeks at a time while students are participating in their elective courses and community outreach programs.

Every teacher has access to professional development experiences that are personalized to meet their needs, goal-driven, and supported by high-quality tools and resources.

Each week, approximately 3.5 hours is allotted for staff meeting time; this time is broken down in to full faculty planning for common goals, visions, and school wide concerns, grade level time, and time for teachers to meet in teams to improve their course curriculum and pedagogy.

Teachers also have 1 coaching meetings each week with an administrator where they can reflect and work towards meeting goals set forth through regular goal-setting meetings.
