Instructions for Presentation to the Board by Members of the Public

Summit Public Schools (“SPS”) welcomes your participation at the SPS Board meetings. The purpose of a public meeting of the Board of Directors (“Board”) is to conduct the affairs of SPS in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in SPS. To assist you in the ease of

speaking/participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting.
2. "Request to Speak" forms are available to all audience members who wish to speak on any agenda item(s) or under the general category of "Oral Communication"
3. "Oral Communications" is set aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes each and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
4. With regard to items that are on the agenda, you may specify that agenda item on your request form and you will be given an opportunity to speak for up to five (5) minutes when the Board discusses that item. The Board Chair may limit the amount of discussion for any one agenda item.
5. When addressing the Board, speakers are requested to state their name and address from the podium/microphone and adhere to the time limits set forth.
6. Anyone may request that a topic related to school business be placed on a future agenda in accordance with the Board guidelines. If the item is appropriate for consideration by the Board, the Board may place it on a future agenda for discussion and, if appropriate, action. Due to time constraints, the Board cannot guarantee that any item submitted for consideration will be presented to the Board at the meeting immediately following the request.
7. In compliance with the Americans with Disabilities Act (ADA) and upon request, SPS may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. Individuals who require appropriate alternative modification of the agenda in order to participate in Board meetings are invited to contact the Director's office.
8. If you have any questions or need any assistance in participating in the SPS Board meeting, please contact Valeria Torres at vtorres@summitps.org or 650-544-5754.
