

## **Summit Public Schools Title IX: Sex-Based Nondiscrimination<sup>1</sup>**

Summit Public Schools (“Summit”) is committed to providing a learning environment free of unlawful discrimination. This commitment extends to all students involved in academic, educational, extracurricular, athletic, and other programs or activities of the school, whether that program or activity is in a school facility, on school transportation or at a class or school training held elsewhere. No Summit student or employee shall be excluded from participation in, be denied the benefits of, or be subject to harassment or other discrimination in any academic, extracurricular, research, occupational training, or other program or activity on the basis of actual or perceived sex, sexual orientation, gender, or gender identity or expression.

Title IX of the Education Amendments of 1972 is one of several federal and state anti-discrimination laws that ensure equality in education. Title IX prohibits discrimination, harassment, exclusion, denial, limitation or separation based on sex or gender. Title IX applies to both male and female students in any educational institution receiving federal funding.

Summit policies prohibit discrimination on the basis of sex, sexual orientation, gender, and gender identity or gender expression. Students have the right to fair and equitable treatment and shall not be discriminated against based on sex. Students have the right to be provided with an equitable opportunity to participate in all academic extracurricular activities, including athletics. The law requires that every charter school or institution have a Title IX/Bullying Complaint Manager to whom concerns or complaints regarding sex discrimination can be made.
