

Summit Public School K2

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Summit Public School K2
Street	1800 Elm St.
City, State, Zip	El Cerrito, Ca, 94530-1925
Phone Number	510-374-4093
Principal	Megan Lee
Email Address	mlee@summitps.org
School Website	https://summitps.org/our-schools/summit-k2-el-cerrito-richmond/
County-District-School (CDS) Code	07100740129684

2022-23 District Contact Information

District Name	Summit Public School: K2
Phone Number	(925) 942-3388
Superintendent	Dr. Kenneth C. Hurst
Email Address	chris.hurst@wccusd.net
District Website Address	https://www.wccusd.net/

2022-23 School Overview

Summit Public School: K2 is a public charter school authorized by the West Contra Costa Unified School District. Summit K2 is located in El Cerrito. Summit K2 welcomed its first class of 7th graders in August of 2014, and will continue to add one grade level per year until fully grown to grades 7-12.

Our Mission:

To prepare a diverse student population for success in a 4-year university and to be thoughtful, contributing members of society.

Our Core Characteristics:

All students and teachers are expected to embody the six core characteristics: respect, responsibility, compassion, curiosity, courage, and integrity.

Academic Program

Every student completes a college-prep course of study that is aligned to the Common Core Standards, and prepares all students for AP classes beginning their junior year. 100% of Summit graduates meet or exceed UC/CSU entrance requirements; 100% of Summit seniors take the SAT or ACT exam and at least two AP exams.

We focus on the four elements that are the foundation of college and career success in the 21st century:

Cognitive Skills – The deeper learning, critical thinking, communication and problem-solving skills needed to succeed in today and tomorrow’s workforce
Content Knowledge – Engaging in learning that is personalized for each student, filling learning gaps and moving students towards competency in all subject-areas.

Habits of Success – Empowering students to self-direct their learning and develop the habits that are invaluable for college and life success
Expedition – immersing in real-world experiences to discover and explore passions and careers, applying learning in authentic ways. Personalized Learning and Mentoring Program

Every Summit student has a Personalized Learning Plan (PLP), where students set learning and personal growth goals, track progress, receive immediate feedback and are able to access learning resources at any time. The PLP is designed to be a

2022-23 School Overview

dynamic tool where families and teachers alike can offer support and coaching.

Summit students have mentors who individually support them through their goals. Mentors serve as college counselors, coaches, family liaisons and advocates, ensuring their mentees are excelling inside and outside of the classroom every day.

Our Faculty:

Our teachers are highly motivated, academically accomplished, innovative and creative. At Summit, teachers participate in 40 days of professional development each year, during which they work together to ensure students are always receiving the highest quality education.

Extra-Curricular Activities

Participation in extra-curricular activities is essential to developing a well-rounded, college and career-ready student. Summit focuses on developing happy, healthy students who have a well-balanced lifestyle that mixes academic classes with personal passions and enjoyable extra-curriculars.

Teaching and Assessment:

Summit uses research-based instructional methods and leverages technology in all subjects. Students are immersed in project-based learning and learn content and skills by developing solutions to engaging, real-world problems. Instruction is rigorous for all students, regardless of previous preparation, and curriculum is differentiated to provide a personal pathway to success.

Assessment

Summit students demonstrate competency of content knowledge and cognitive skills compared to state, national, and collegiate standards. Culminating projects are used to assess the college-ready content knowledge and critical thinking skills. Letter grades are assigned for coursework and are consistent with state and college measures. Students take all state standardized exams, Advanced Placement Tests, and the ACT and SAT

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 7	52
Grade 8	98
Grade 9	108
Grade 10	79
Grade 11	89
Grade 12	91
Total Enrollment	517

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	49.1
Male	50.7
American Indian or Alaska Native	0.4
Asian	6.0
Black or African American	13.3
Filipino	2.3
Hispanic or Latino	66.3
Native Hawaiian or Pacific Islander	0.2
Two or More Races	5.6
White	4.6
English Learners	18.4
Foster Youth	0.0
Homeless	1.4
Migrant	0.0
Socioeconomically Disadvantaged	71.2
Students with Disabilities	13.2

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	19.80	55.60	161.30	52.88	228366.10	83.12
Intern Credential Holders Properly Assigned	1.00	2.81	18.40	6.06	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	10.30	28.98	69.50	22.80	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	4.50	12.62	33.70	11.07	12115.80	4.41
Unknown	0.00	0.00	21.90	7.19	18854.30	6.86
Total Teaching Positions	35.60	100.00	305.10	100.00	274759.10	100.00

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.00	
Misassignments	9.30	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	10.30	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	4.50	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	4.50	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	23.70	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	24.80	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Summit's core instructional materials come from the Summit Learning Platform, which includes curriculum that is updated annually with minor improvements throughout the year. The curriculum is aligned to state standards and based on the latest learning science research.

Year and month in which the data were collected	October 2022

School Facility Conditions and Planned Improvements

"Summit Public School: K2 is located at 1800 Elm Street in El Cerrito, California. Summit Public School: K2's facilities are located on a four-acre campus consists of five buildings with a total of 48,000 square feet of space, including the former Chung Mei Home for Chinese Boys erected in 1935, a gymnasium and a building with 12 classrooms that opened in 2008.

Summit Public School: K2's facilities also include open green space used for outdoor activities and sports.

Each classroom is equipped with an LCD projector and the entire building is equipped for wireless internet. There is a separate student and teacher network. All teachers have school laptops, and all students have their own Chromebook.

Each classroom has its own locking door that is defaulted to lock. There is also a gate at the end of the driveway leading up to the school building.

The facilities used by Summit Public School: K2 are leased from the Chamberlin Family Foundation. As lessees of The Chamberlin Family Foundation, the foundation is responsible for major maintenance and code compliance of the facilities. The facilities are well maintained and in good condition and are adequate for the delivery of the SPS instructional program. Summit Public School: K2 contracts directly for custodial services and the facilities are cleaned on a daily basis.

There are currently no facilities related repairs."

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	44	N/A	45	N/A	47
Mathematics (grades 3-8 and 11)	N/A	13	N/A	21	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	234	228	97.44	2.56	44.69
Female	120	117	97.50	2.50	44.83
Male	113	110	97.35	2.65	44.04
American Indian or Alaska Native	0	0	0.00	0.00	0.00
Asian	16	16	100.00	0.00	66.67
Black or African American	35	33	94.29	5.71	24.24
Filipino	--	--	--	--	--
Hispanic or Latino	155	151	97.42	2.58	45.03

Homeless	--	--	--	--	--
Military	0	0	0.00	0.00	0.00
Socioeconomically Disadvantaged	174	170	97.70	2.30	43.20
Students Receiving Migrant Education Services	0	0	0.00	0.00	0.00
Students with Disabilities	29	26	89.66	10.34	26.92

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	234	227	97.01	2.99	13.22
Female	120	116	96.67	3.33	10.34
Male	113	110	97.35	2.65	15.45

2021-22 Career Technical Education Programs

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	100.00
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	100.00

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	84%	92%	76%	90%	82%
Grade 9	91%	91%	91%	91%	91%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Summit recognizes that students learn best when parents are involved in their learning and their learning community. Almost all current research indicates that parental involvement is the single most important ingredient to student success after

2022-23 Opportunities for Parental Involvement

socioeconomic status. Accordingly, K2 actively reaches out to parents to encourage them to be involved in the school in many ways. The Summit K2 Parent Organization Team is responsible for coordinating Summit K2 volunteer needs and activities, and recording volunteer participation. The parent management team strives to match school needs with the interests and schedules of each family and values input from the entire Summit community.

Parents are encouraged to contribute 30 hours of volunteer time in the above categories, some examples being:

- Helping on the school community day
- Helping to serve lunch
- Helping to do data entry, mailings, community outreach
- Helping with Open Houses
- Helping with the college process
- Helping Career Day
- Helping with athletics

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		6.9	2.2		8.9	3.6		8.9	7.8
Graduation Rate		92	96.8		84	91.2		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	93	90	96.8
Female	43	43	100.0
Male	50	47	94.0
American Indian or Alaska Native	0	0	0.0
Asian	--	--	--
Black or African American	11	10	90.9
Filipino	--	--	--
Hispanic or Latino	55	55	100.0
Native Hawaiian or Pacific Islander	0	0	0.0
Two or More Races	--	--	--
White	--	--	--
English Learners	14	14	100.0
Foster Youth	--	--	--
Homeless	--	--	--
Socioeconomically Disadvantaged	69	68	98.6
Students Receiving Migrant Education Services	0	0	0.0
Students with Disabilities	14	12	85.7

2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	537	522	224	42.9
Female	264	257	115	44.7
Male	272	264	109	41.3
American Indian or Alaska Native	3	3	3	100.0
Asian	32	30	8	26.7
Black or African American	77	71	41	57.7
Filipino	12	12	0	0.0
Hispanic or Latino	348	345	148	42.9
Native Hawaiian or Pacific Islander	1	1	0	0.0
Two or More Races	30	28	12	42.9

English Learners	110	109	54	49.5
Foster Youth	0	0	0	0.0
Homeless	7	7	4	57.1
Socioeconomically Disadvantaged	390	382	174	45.5
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	73	70	36	51.4

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.31	2.96	2.45
Expulsions	0.00	0.03	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	6.70	0.11	4.04	0.20	3.17
Expulsions	0.00	0.00	0.03	0.02	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	6.70	0.00
Female	5.30	0.00
Male	8.09	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	14.29	0.00
Filipino	0.00	0.00
Hispanic or Latino	5.75	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	7.14	0.00
English Learners	5.45	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	6.92	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	6.85	0.00

2022-23 School Safety Plan

It is the policy of Summit Public Schools to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students.

School Safety plans are located in the front office, and include procedures for fire drills, earthquake drills, shelter-in-place drills, chemical release incidents, and intruder incidents, including appropriate evacuation drills. The safety plan is reviewed and updated each August, and faculty receive training in August, and ongoing as needed.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	5	21	
Mathematics	25	4	20	
Science	25	4	20	
Social Science	25	8	19	

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	8	19	
Mathematics	24	6	18	
Science	23	7	17	
Social Science	23	10	15	

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	11	15	
Mathematics	22	12	11	1
Science	22	8	12	
Social Science	22	13	14	

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	4.0

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$14,419	\$3,266	\$11,152	\$73,579
District	N/A	N/A	\$11,152	
Percent Difference - School Site and District	N/A	N/A	0.0	0.0
State	N/A	N/A	\$6,594	
Percent Difference - School Site and State	N/A	N/A	51.4	

2021-22 Types of Services Funded

At Summit Public School: K2, we have many different types of programs and services available at the school that support and assist students. Those are:

Office Hours - after school, there are about 6 hours per week where students can come get support from their teachers and peers outside of the regular school day. During these office hours, teachers are available to support students in their learning of content, practice on skills they haven't mastered yet, or to get work done in a quiet and safe place.

Summit Reads - during the school day, we also offer times where students can get support in their reading. There is a dedicated time every day when students are required to read, and we use data to decide what level of support students need in their reading. Students who are reading at grade level are simply required to read for that time. Students reading below grade level use a reading remediation program to support them in actually learning the skills necessary to get back to grade level. And students who are far below grade level in their reading have small, teacher-driven reading remediation to learn remedial reading skills.

Summit Solves - similarly to Summit Reads, during the school day, we offer times where students can get support in their numeracy. This is a dedicated time every day when students are required to work on math, and we use data to decide what level of support students need in their numeracy. Students who are at grade level with their numeracy are simply required to do math problems at their grade level for this time. Students who are below grade level are doing math at their math level, and students who are far below grade level have small, teacher-driven numeracy remediation to learn remedial mathematics skills.

Peer tutoring - during the day, as well as after school, we also have times where students support other students academically. The peer tutoring club is something driven by students, and is used widely by students to get help on content or skills for their courses.

Reading Plus - is a program we use to support students in their reading. It is a program designed to teach students how to improve in their reading, with exercises and tests that have proven growth in comprehension, scanning, and reading speed.

Mentor Check ins - every student, every week, has an extended check in with their mentor. During this check in, mentors use this as an opportunity to support students in goal-setting, making plans, advocating for them, and how to improve their learning habits. This is a structured time where mentors can get at the root causes of why students need support.

Data - we also have a dedicated time for teachers to look at achievement data and meet in teams to dissect and make plans for students who need support. Every week, there is a time for data to be looked at to help students make plans, identify students who need more targeted support, and to see which students need to be more challenged.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	49.2
-----------------------------------	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	8
Fine and Performing Arts	0
Foreign Language	1
Mathematics	2
Science	4
Social Science	8
Total AP Courses Offered Where there are student course enrollments of at least one student.	23

Professional Development

Summit Public School: K2 believes that it is possible to attract and retain talented teachers by sharing a dynamic vision committed to excellence. As a result, Summit Public School: K2 invests heavily in professional development for our staff. Professional development starts with every K2 teacher an empowered, self-directed and continuous learner who is working to improve student outcomes every day. We know that providing students with high-quality, high-impact teachers is one of the most important factors in their success.

Every year the faculty works together to look at student achievement data and to reflect on the previous year to determine goals for the next school year. For example, recent school goals include creating and maintaining a college-bound culture, actively engaging students in learning, creating a sense of belonging and ownership, and making progress in our work daily. These goals then inform the work that we do as a faculty and the individual goals of each teacher.

Teachers professionally develop skills and knowledge focused on enabling high-impact activities with every student, every day. We do this through an innovative professional development program in which:

Every teacher participates in 40 days of professional development each year.

Every teacher has access to professional development experiences that are personalized to meet their needs, goal-driven, and supported by high-quality tools and resources, such as workshops, collaboration with colleagues, peer observation, support from external partners, and individual coaching from site administration.

Every teacher's development is linked to student success.

Every teacher has the opportunity to share best practices and collaborate with his or her peers to ensure we are always providing students with the highest quality education.

These professional development experiences must ensure that teachers are empowered to drive their own development, growth and improvement. Every teacher has about one hour per day to plan individually or to work with other department members for collaborative planning. Each week, approximately 3 hours of time is allotted for staff meeting time; this time is broken down in to full faculty planning for common goals, visions, and school wide concerns, grade level time, and time for teams and individuals can work towards meeting goals set forth on their personal educator plans (PEPs).

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	45	45	40
